

AG WEST SUPPLY AWS3530 NUT CART

MANUFACTURED FOR THE NORTHWEST

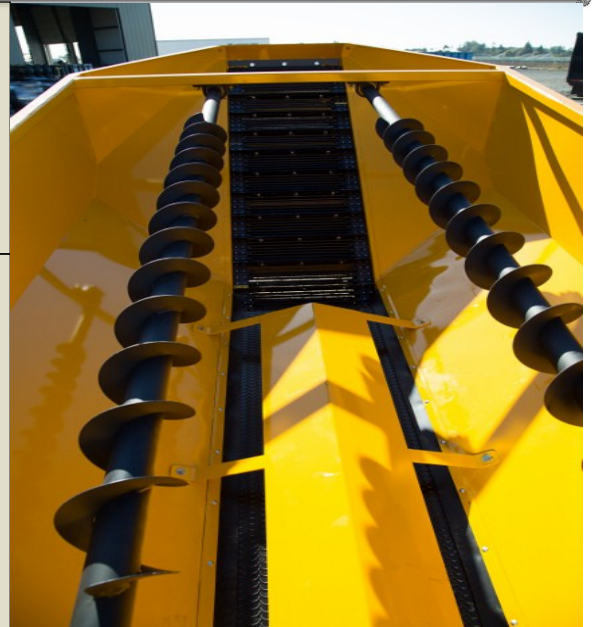

GK Machine's AWS3530 Nut Cart is the perfect cart to combine with the AWS3200 Nut Harvester. Both the cart and harvester are designed to handle the wet harvest conditions of the Pacific Northwest, and its two leveling augers ensure peak performance.

- **Push bar on the rear allows for unloading the bin on the go with no interruption to harvesting**
- **Adjustable auger and bottom belt speed**
- **Bottom belt textured for positive movement of material in damp conditions**
- **Unloading lift conveyor is open steel mesh which allows dirt and mud to fall out**
